

APPROVED APPLICATOR CERTIFICATE

To,
Customer: Firestop insulation technologies.

Project: The Qatar Public private partnership Schools development program – package 2

This is to certify that Firestop insulation technologies is our qualified Paint applicator in Qatar.

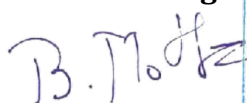

They have established themselves as a qualified Paint Applicator and trained to use Internal & External finishes of Jotun Products in various projects of Qatar. Jotun Qatar has found Firestop insulation technologies I to be professional and competent in application of our internal and external emulsion based Paints.

Jotun team will inspect coating application during surface preparation, application and on completion of the final coating.

The Authorization will be revoked if the correct application procedure or the quality of workmanship does not meet Jotun Paints Standards. This certification is valid for **6 months** and will be renewed on Oct 2025 based on quality of previous job and performance given by Firestop insulation technologies.

Furthermore, this recommend is made by Jotun Qatar without prejudice and / or legal liability.

Thanks & Regards
